

# The Flowering of Christ / Resurrection 9

*Sunday, September 18, 2022 5:30 am*

1. In wholeness, we commune. The Fall season is upon us and the changes that it brings remind us to stop and marvel at nature's magnificent ways.
2. Now, down to business. How do you change throughout the year? How have you changed just from the summer months? Christ grows as the character grows by expressing love more often. This can happen during any season of the year, but especially during the Fall harvest season. This is a time for reflection and acknowledgment of increase. How have you grown as Christ?
3. I only want to address one particular question for today. This question is about something we talked about recently.
4. 'Mother Mary, you recently recommended sticking with the factual data of any situation in our lives or in the world at large. You said we shouldn't be concerned with motives or causes and just bless those involved. How do we know what the facts are? I can see that something specific happened, but someone in the media might cause you to question whether it happened at all.'
5. Don't be fooled. There are those who want you to invest your time in their programming and to believe that only they know what really happened. This usually involves fear of the government taking away their guns. Bless those who are interested in profiting from fear of the perceived evil other.
6. You can see that there was a plane crash, a fire, a flood, and a violent situation of myriad types. Stop there and bless all involved parties. It's that simple, but you can be misled along the way by individuals who want your financial support for their products and ideology. We never said living here would be easy, dears.
7. Love always, Mother Mary

## Secrets of Christ 10

*Sunday, September 18, 2022 6:00 am*

1. As presented by Mary Magdalene.
2. Christ is always the sane, reasonable one in the room. This is why others don't like Christ because Christ is an uncomfortable reminder that they themselves have gotten off track. Let yourself be this unliked, uncomfortable, and unwelcome reminder.
