

# The Flowering of Christ / Resurrection 11

*Sunday, October 2, 2022 5:30 am*

1. Greetings, Christs. We meet yet again. Today, our purpose is to begin a review of the ten powers of Christ, first introduced as part of A Journey into the Unknown in a book that is known as '[A Shock to the System](#)'. Let's talk about one per week. The first one is the power to alter the course of another aspect of yourself.
2. This energy that you carry around with you by embodying it, can correct someone's course if it has gotten stuck through resistance or even if it has derailed. Yes, you heard me correctly. The energy of God wants to bring a wayward soul back into the fold by helping the character get back into alignment. The soul in question didn't do anything wrong, but it is held hostage, and if its sage advice isn't listened to, it is forced into less-than-optimal circumstances by the character's choices.
3. The first power of Christ is the ability to alter the course of another aspect of yourself. What happens is that a Christ-level avatar simply blesses someone. This blessing, then makes the involved soul ten times stronger. It turns a small flame into a five-alarm fire, just as an example of how something small can turn into something big and powerful.
4. Now, it's your turn. Let's workshop this principle by having each of you simply apply it to yourself and your own experiences. When were there times in your life when, unbeknownst to you, you weirdly got the strength from somewhere to pick yourself up and keep going? This could have been after a death, a loss of some type, or a severe illness. It could have come in the form of a friend, a change of circumstances, or the arrival of a book. How did the power of Christ help you when the chips were down?
5. Until next week and remember, love always.
6. Love, Mother Mary

## Secrets of Christ 12

*Sunday, October 2, 2022 6:00 am*

1. As presented by Mary Magdalene.
2. You can't pull one over on Christ. Christ knows when it is being deceived. It just says, 'I see you. May God's love help you to be truthful in all things.' Christ is then reminded of times when its character was less than truthful. Therefore, Christ can never condemn anyone. It sees both its strengths and its weaknesses in everyone it meets.
