

## The Flowering of Christ / Resurrection 12

*Sunday, October 9, 2022 4:30 am*

1. Good day to all. You never know who you might run into. I'm pleased to share this sacred time with the world's first core group of Christs. Each one of you does amazing work in your own creative and unique ways. Christ doesn't wear a company uniform. Every Christ presents their true Self as it is, however, that may be. It is the path of the individualist and not the conformist. Conformity denies the gifts of individuality but love only enhances them.
2. The second power of Christ is the power to stop suffering, which comes in many forms. Suffering comes from resistance to love and can be from not accepting an outcome or situation, experiencing the loss of a relationship of any type, or dealing with a severe illness, just to name a few. When Christ gives a blessing, it gives more power to a soul to counter the effects of suffering.
3. Once again, we must apply this power to ourselves to really come to terms with it and understand it. How have you been able to release suffering in your past and come to an acceptance of a situation, however difficult? If you are of a certain age, you should be able to generate a list with at least several items. Please invest a little time this week to revisit times of suffering in your life and the blessings that may have appeared out of nowhere to help you to release suffering. What form did the blessing take? How did your soul step in to help you as a character? Did a new opportunity arise? Did a new person appear in your life? Did money suddenly appear? Did a new medicine regimen start to produce results? Dig deep, Christs. I want you to deeply understand your own power, with great clarity and conviction.
4. Until next week, only love.
5. Love, Mother Mary

## Secrets of Christ 13

1. As presented by Mary Magdalene.
2. To not believe in coincidence is to believe in purpose. God's hand is involved in even the most rudimentary aspects of life. Take a good look around you and see what love is manifesting.
