

The Flowering of Christ / Resurrection 17

Sunday, November 13, 2022 6:30 am

1. Hello, fellow Christs. Let us usher in a new week by spending time together. I'm thankful for our time together. It is the highlight of my week and hopefully, it is the highlight of yours. One day, everyone will be doing what each of you is doing, allowing Christ to consume your form and show you what life is all about. I know that this seems impossible, but it happened to each of you. That gives us great hope. It can't be impossible if this group has done it. It just can't be. You are each the proof.

2. Today, let's look at the seventh power of Christ as our series starts to wrap up. We will have three more after today. The seventh power is the power to know and trust. When there are great amounts of uncertainty in a character's life, when the chips are down, when everything seems to be going wrong, the soul can help. A powerful soul can break through sadness, depression, worry, and guilt, and give characters hope that things will get better. All they must do is know that their soul's optimism is true and when things aren't going well, what other options are there? The character can stay in a negative space or open up to the soul's positivity. It is your blessing that may make the difference, Christs.

3. Until next week, love and bless always.

4. Love, Mother Mary

End Time: 6:49 am

Secrets of Christ 18

Sunday, November 13, 2022 6:55 am

1. As presented by Mary Magdalene.
2. Today's secret of Christ is simply that you can't go wrong with blessing others. The blessing knows what it needs to do, which is to strengthen another soul. Then that soul knows precisely what its character needs and will offer it. We can't make the decision to accept the gift. It is only the character's to make. Know and trust in this process, Christs. This is the way of the universe, as it moves toward strengthening a system of external support for souls. Blessed Be.

End Time: 7:02 am
