

The Flowering of Christ / Resurrection 19

Sunday, November 27, 2022 8:30 am

1. We meet yet again. Hello Christs. The fork in the road that I spoke of last week simply refers to this group being ready for a new level of experience and a new level of information. Therefore, we will veer off from the material that is appropriate for most who are somewhere on the path and will support Christ Specialists exclusively with the new material. As with everything we have accomplished creatively speaking, it will be forging something new. I feel comfortable that this group will benefit from the Masters Series in 2023.
2. The ninth power of Christ is our main topic for today and it addresses the power to invest. Characters invest in a wide array of things, but the soul wants its character to invest in the only thing that truly matters: the discovery of its true identity. The soul may prompt some internal questioning about why things are the way they are. Which things are true and which things are false? Many souls prompt their characters to start to read books with spiritual information or arrange with other souls for a seemingly chance encounter. This is how two or more characters can help each other on the path where the rewards are great, but some investment is required too. As you each know, it isn't easy. Support is paramount.
3. Next Sunday will close out an era so that a new one can be ushered in. Please bring your favorite beverage and have it nearby when you open your message. It will be time to celebrate.
4. Only love and bless.
5. Love, Mother Mary

End Time: 8:56 am

Secrets of Christ 20 (Last in Series)

Sunday, November 27, 2022 9:00 am

1. As presented by Mary Magdalene.
2. The last secret of Christ is the most important one. Christ doesn't overthink anything. Overthinking is in the realm of the ego. Christ simply responds when the timing is right. It is the easiest and most joyous action in the world. There is never any worrying involved. There is never an evaluation. There is never Monday morning quarterbacking. Christ's responses are always perfect because they come from the Divine, which is always perfect.

End Time: 9:07 am
