1. And so we meet again, dear ones in the Christ community. I'm not known for being one who runs out of things to say. And yet here in this moment, I don't feel as if I have anything meaningful to add to this month's theme in Soul in the Driver's Seat. I feel as though we each have a firm grasp of the concept of wholeness. We don't see much of it when we look out into the world, yet we understand its role in each of our Christ-driven lives.

2. Looking ahead, I will write again to this group in November to elaborate on the theme of Kindness. In December, the two years of Arrival Series 7: From Me to You – The Christ Letters for the Second Coming, will conclude. After close to six years of communication through Rick, we will be going into a period of hibernation of sorts. The seventh year will be a year of rest, while we observe how the education provided by the publication of the complete Soul in the Driver's Seat is being received in the world. Creation is always responsive to the needs of the created. We have never before had any educational material this thorough, this complete, and this accessible, in the world. People outside of the spiritual community will have this information for the first time. This is what we will observe during the seventh year, while we rest from our outreach in supporting Christ in the world. How is it all landing?

3. I will return again in a month's time.

4. Love and blessings,  
Mother Mary
